
Nortel mod wanted

Posted by Johnny - 2010/04/25 18:15

Hi all, I am looking for circuit diagrams and mods for a Nortel CTR 26-02M unit to convert it to 24GHz.

Thanks http://www.microwave.gr/images/fbfiles/files/nortel_2.jpg

hello,
the image has not been uploaded correctly, please upload it again.
What is this aparatus? is it a commercial transverter?
